

On May 14, 2024, Joshua Frank (RSM Federal) will be presenting a webinar titled “Understanding the Berry Amendment, Buy American Act (BAA), Trade Agreements, and the Nonmanufacturer Rule.” Whether you are new to government sales or have been selling to federal agencies and the Department of Defense for years, the landscape is changing. Today, the government’s statutes and regulations are shifting towards a more domestic supply chain. If you don’t fully understand how the Buy American Act, the Nonmanufacturer Rule, and trade agreements impact your company, you will want to attend this session.

As a client of Apex Accelerators, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
